

Community services located together

The new building at Portswood Place will provide essential community facilities: nursery, surgery, community space and shops.

View from Downshire Fields towards Portswood Place

Current view looking down Minstead Gardens

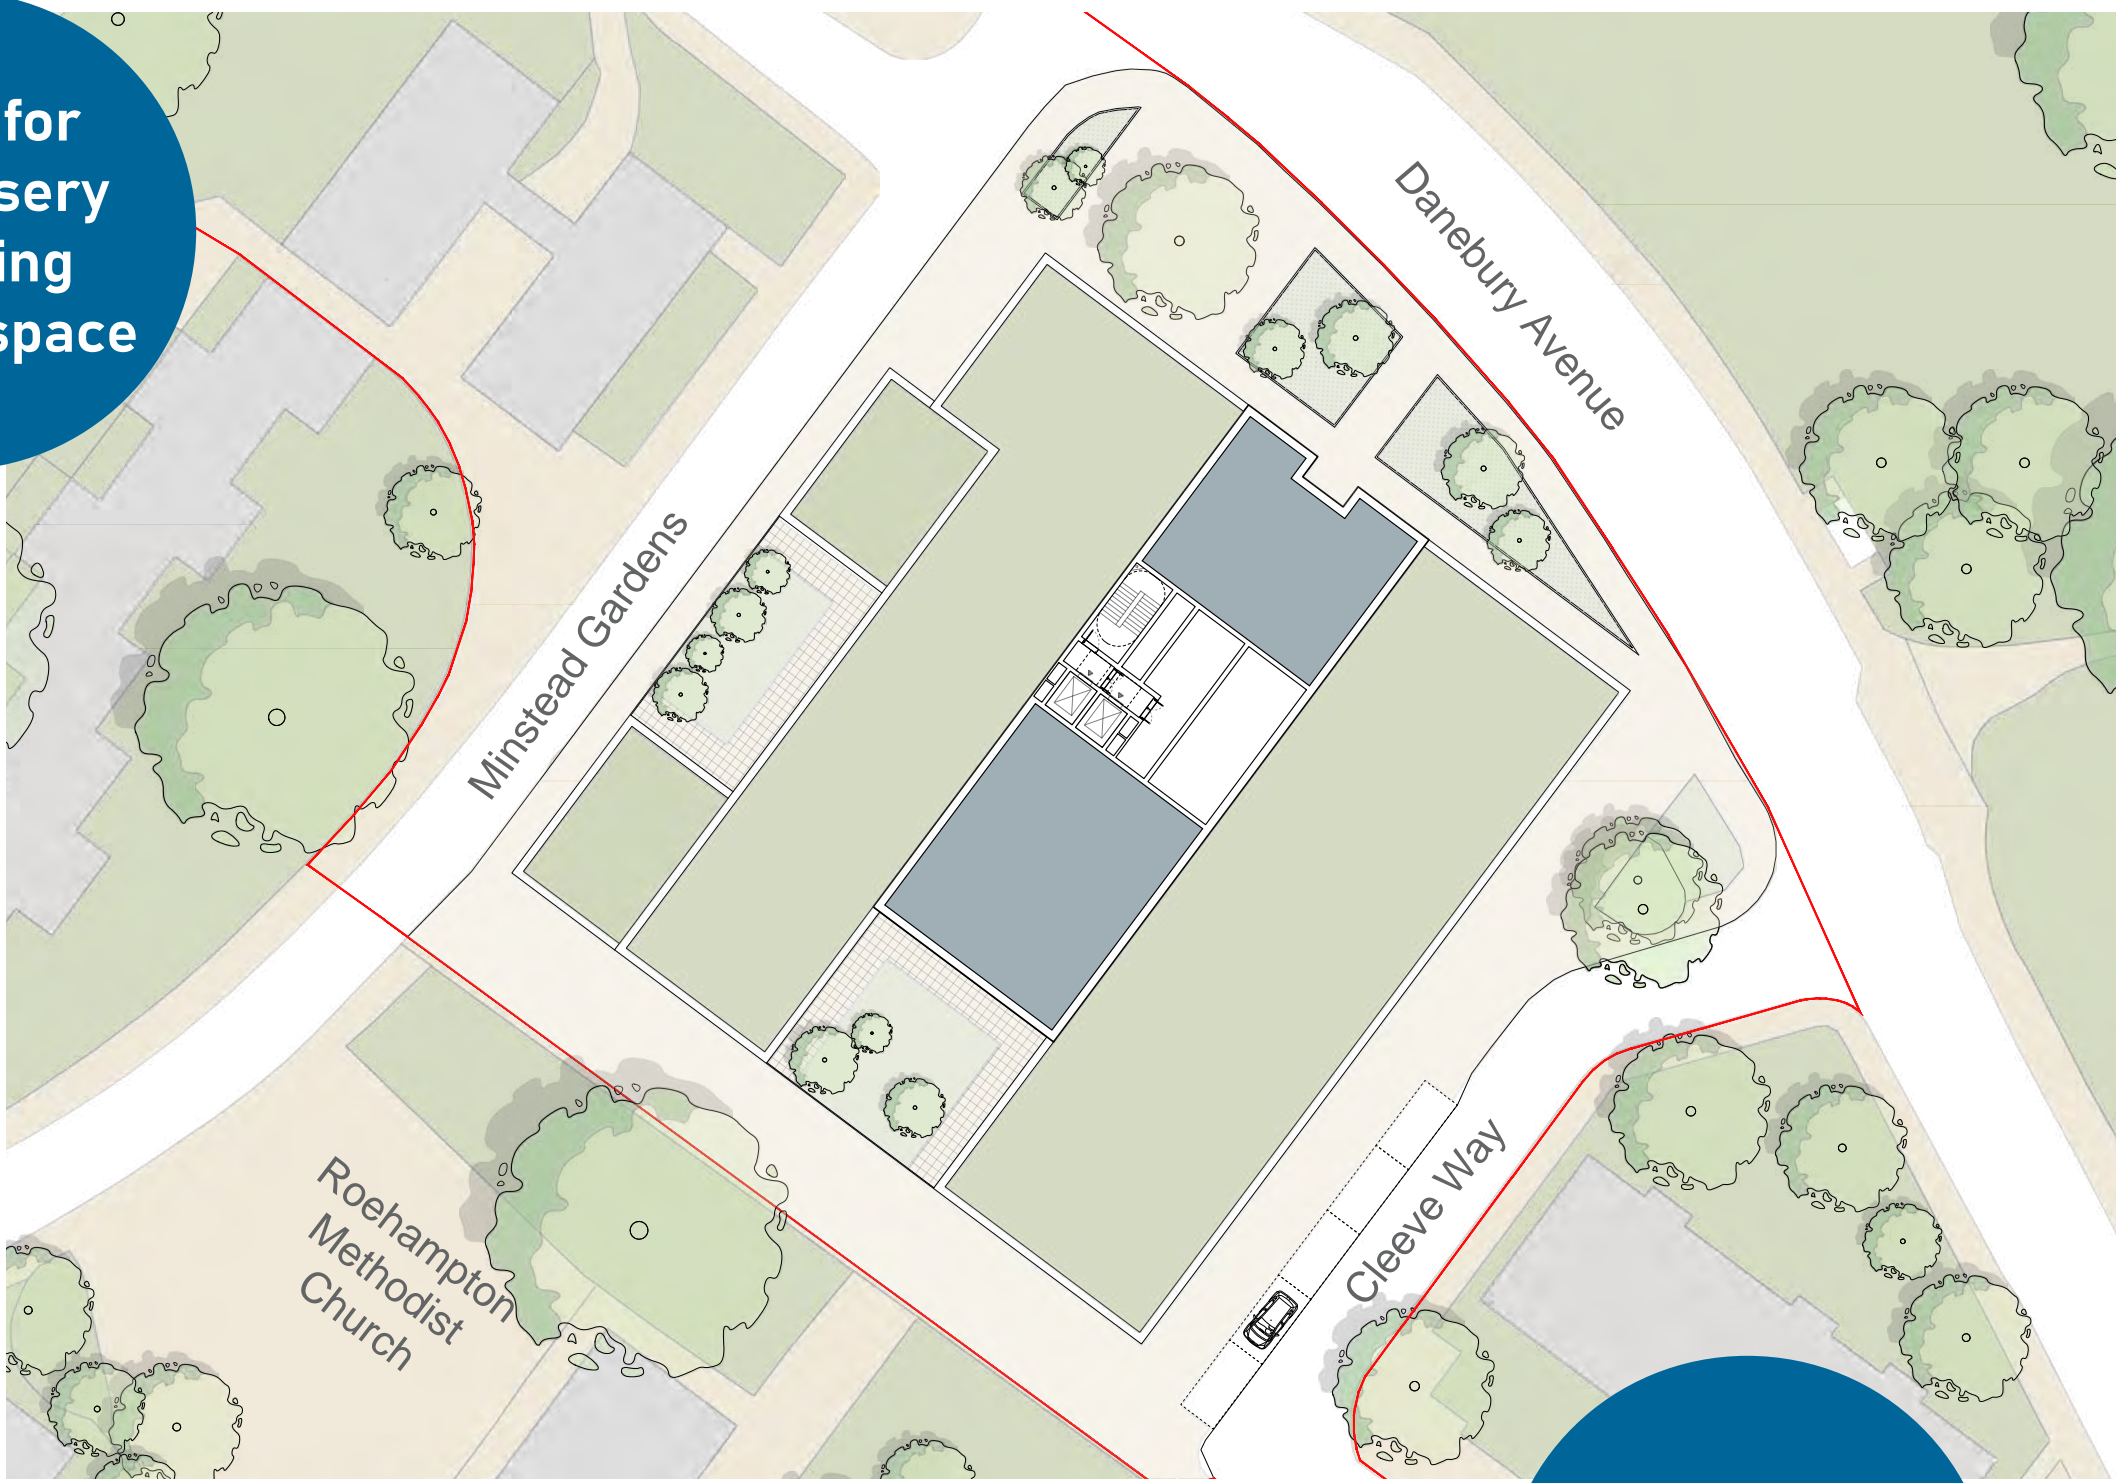

Proposed view looking down Minstead Gardens

Ground Floor plan

First Floor plan

Second Floor plan

Space for the nursery including outside space

A one-stop-shop for community

We continue to test the parameters of the site with particular sensitivity to the existing heritage assets and protected views
